

**TO ALL OF YOU, WHO STOOD UP FOR
WHAT THEY BELIEVED WAS THE RIGHT
THING TO DO.**

To you who listened, researched, studied, questioned, attended meetings, mailed, printed, delivered, joined, conferenced, put up with, (Marles, lawyer for IDI) stood up, spoke out, complained, cajoled, astonished at the falsehood perpetrated by experts?? Finally after 10 long months, were responsible for the courts final decision that balanced the needs of the concerned neighbors with those of the townships. To all of you, who made the American system work..... Let's celebrate ☺ !!

If you want to congratulate yourself and some of the folks that helped to make this happen, stop by Paddy's Steak & Seafood tonight 2/20, 7ish on. Sara Ayers is performing @ 9:00 pm. In addition to that & having a GREAT reason to celebrate, the food is good, (not too expensive) AND you'll be supporting a local restaurateur, Renee's husband, Steve.
PS. They were not aware about this until getting this email like you.☺

Bring the "gang."

(It would be much nicer to see you her than in the "courtroom.")
